## **Answers to Commonly Asked Questions**

- Who should I call for information concerning New Town? The General Assembly is the first place to start. Their number is 636.916.2085 OR visit [www.ntga.net](http://www.ntga.net).
- Should I rely on information in Facebook to be accurate? Unless it is posted by the GA – NO.
- The City owns all streets and alleys within NT except for Island Harbor which is owned by the Founder and Berrang, Wheelhouse, Camp Streets which are owned by the GA (they are paved). The GA also owns the Civic Cr., Civic Ln. and alleys on either side of the Amphitheater.
- Snow Removal:
  - The City plows all streets in New Town except for the private 1-ways in the Beach District, Island Harbor, and Civic Circle, and Civic Dr.
  - The following alleys are also plowed at every event with the public street plowing in New Town:
    - North Canal Way alley - west of Canal St. between Hempstead St. and North New Town Ave.
    - South Canal Way alley – west of Canal St. between South New Town Ave. and Arpent St.
    - Hempstead Place alley – south of Hempstead St. west of Canal St.
    - Shutten Way alley – east of Shutten St. between Hempstead St. and Galt House Dr.
    - Hempstead Way alley
  - The remaining alleys in New Town, as well as other City alleys, are not always plowed with every event. Decisions are made by the snow operations management team on an event-by-event basis as to whether conditions warrant snow removal on the remainder of the alleys in the City following clearing of all public streets, including New Town.
- The City approved the acceptance of the sewer system as of March 5, 2013. Sewer issues should be reported to the Water Dept. at the following contact numbers:
  - 7am-3pm - 636-949-3363

- The Common Ground is the responsibility of the GA. This includes: parks, canals, lakes (except Phase 10 and the lakes in the very back of the community at Island Harbor Dr.), playgrounds, pedestrian bridges, parking lots between Rue Royale & Domain St., pools, restrooms in Town Hall, Civic Green, and around Amphitheater, etc. In addition, the GA owns the Marsala's Market building, the Town Hall, the Town Hall Mailroom, the 6 kiosks on the Amphitheater along with 4 bathrooms at the Amphitheater and the stage at the Amphitheater.
- The Founder (WBI Resolution, LLC) is responsible for the land/lots/units they own. NT Home Builders, LLC is responsible for the lots they own, McBride & Son Homes is responsible for the lots they own, & Credit Concepts is responsible for the lots they own.
- NT Leasing is responsible for the Hiram Street Apartments and Apartment Mansions on North & South New Town Avenue
- The GA is governed by a Board of Governors & the Declarations & Rules & Regulations for New Town.
- The Districts are governed by their governing documents and their Board of Directors. Resident elections are handled according to those documents.

- The violation process is clearly identified within the governing documents. Many homeowners have extenuating circumstances and the GA does their best to work with the residents to resolve their violation issues. However, according to the GA attorney, due process must be given.
  - The GA sends a “friendly reminder” letter to the homeowner advising of the violation, what must be done to remedy the violation and the number of days to be completed.
  - If the violation is not remedied, a second letter is sent advising that the violation remains and a hearing may be called.
  - If the resident still makes no contact with the GA or does not remove the violation, a hearing date is set.
  - If the violation is still in place on the date of the hearing, the hearing is held by the Property Manager, Town Architect and resident with the violation. Fines are determined at this hearing.
  - Many times residents may remove a violation (for instance, a trash can), only to repeat the violation several months later. The Town Architect works with the GA in determining violations, fines, etc.
- The New Town Trust provides entertainment to the NT Community (concerts, movies, etc.).
- Homeowner assessments DO NOT fund the Trust. The New Town Trust is funded by the TAD, and re-sale fees of .2% when a home sells from a previous owner, along with private donations.
- The Trust has its own Board of Directors and is NOT governed by the GA. The Trust Board appoints the Event Committee members.
